Dear Ms. Gromova,

We are glad to have the opportunity to work in cooperation with your company. I'd like to thank you for the time you spent and for taking care of everything and most important, for understanding our needs, and accomplish every step of the project. Your advice was very helpful and gave us a new perspective on available business opportunities in your country.

I especially appreciate your patience and your talent to facilitate the process of obtaining of official documents. Our company prides itself to have you as a partner and definitely will keep a long term relationship with you in the future.

Thanks again for your help and comprehension of our needs.
It was pleasure to work with you.

Sincerely,
